This eBay sales summary has been collected from successful eBay pinball machine sales over the last 30 months (May 2008). This summary represents 19,956 machines sold on eBay during that time period. The list is hand compiled, so there may be errors or omissions. The list should only be used as a guide to value, and does not represent the condition of the machine. The list starts below the two graphs.

Machine Name	Avg Of Price	Min Of Price	Max Of Price	Count Of Sales Activity	Avg w/o min & max
2 in 1	269	242	309	3	255
